

100MM

115V 60Hz, Single Phase,
750 Series Gearmotor

The Powerful Little "Motor in the Middle":

For tight-spaces requiring big power, Bison's new 100mmAC (4" dia.), 1/8 HP (93 w) motors offer larger motor power in 30% less volume. (6) In-Stock, Instant-Ship (ISIS) single-phase, right angle models up to 104 in-lbs (11.8 N-m)
