Sponsors Contribute to Success of 3rd Annual Jeffrey Bullock Memorial Golf Tournament

Over 100 employees, customers, suppliers and friends celebrate the memory of Bison Gear leader through fun, food and golf, with proceeds to charity.

St. Charles, IL - September 3, 2008 -- The Third Annual Jeffrey Bullock Memorial Golf Tournament was another successful event that celebrated the memory of a Bison Gear leader and participation by a record number of sponsors led to a very successful fund raiser for [BisonCares](#), the charitable arm of [Bison Gear & Engineering Corp.](#) This year's event was held at [Mill Creek Golf Club](#) in Geneva, IL, and over 100 employees and friends of Bison Gear participated in the afternoon and evening activities.

"The Bullock family thanks everyone who participated in and sponsored this worthwhile event honoring Jeff's memory," said Ron Bullock, Chairman of Bison Gear. "We look forward to welcoming and renewing friendships with an ever expanding group in 2009. It's a great opportunity for our valued employees, customers, suppliers and friends to reflect on Jeff's contributions to Bison Gear's success, while helping charitable causes in our community."

The inaugural Jeffrey Bullock Memorial Golf Tournament was held in 2006, one year after his untimely passing at age 35. Starting with working summers during high school, Jeff Bullock spent his entire career at Bison Gear & Engineering Corp. He was instrumental in establishing Bison's entry into electric motor production and was an advocate for the company's Lean Manufacturing implementation. As Executive Vice President, he was responsible for engineering, sales and marketing, administration and human resources at Bison and was a key driver in helping the company set record sales levels during his tenure.

About BisonCares

BisonCares is a 501(C)3 Nonprofit Organization "Powered by the hearts of Bison Gear employees." Initially established as a response by Bison Gear employees to the tragedy of hurricane Katrina, BisonCares has expanded its support to the Toys for Tots program, feeding the hungry in Northern Illinois, and other health research, education, social, religious and animal welfare efforts that improve the quality of life. www.bisoncares.com

About Bison Gear & Engineering Corp.

Founded in 1960, Bison Gear & Engineering Corp. designs and manufactures fractional horsepower electric motors, gearmotors and gear reducers used in industrial and commercial OEM applications worldwide. Bison's strong engineering tradition, based on Robusticity (TM) principles, offers products with up to twice as much torque in the same package size as competitors. Bison employs over 270 associates in its St. Charles, Illinois facility which produces gearmotors and reducers in parallel shaft and right angle configurations, as well as AC and DC motors, for applications where dependability and long lifetimes are important. www.bisongear.com.
